

Classroom Facilities at Rainbow Public School

Our classrooms offer a conducive learning environment, equipped with ample space, good ventilation, and modern tools. Key features include:

- Smart boards for interactive learning
- Subject enrichment activities on notice boards
- Racks and hangers for organization skills
- Birthday chart, appreciation chart, and achievement chart to motivate students

These facilities help students focus, learn, and grow.

Nursery Classrooms at Rainbow Public School

Our nursery classrooms are designed to spark curiosity and creativity! □ Colourful paintings, engaging study materials, and activity corners create a fun learning environment. A plush green play mat with toys and a smart board make learning interactive. Our tiny tots sit comfortably on colourful benches and desks, perfect for play-based learning and exploration.

Lab Facilities at Rainbow Public School

We offer state-of-the-art lab facilities to foster interactive learning:

- Computer Lab: Equipped with internet, servers, and latest Windows OS, promoting creativity and learning.
- Science Lab: Spacious, CBSE-aligned composite lab with latest apparatus, microscopes, and equipment for physics, chemistry, and biology.
- Math Lab: Loaded with apparatus and equipment, making complex concepts easier to grasp.

Weekly training sessions and student development programs ensure hands-on learning. Our labs are designed to make learning fun and engaging! □

Library Facilities at Rainbow Public School

Our library is a treasure trove of knowledge, boasting thousands of books across various categories! □ You'll find resource books for subjects, fiction, literature in multiple languages, and hundreds of books on world leaders and global events. We also subscribe to dailies and magazines, keeping students updated on current affairs.

The library is spacious, well-ventilated, and encourages frequent visits. Our librarian-in-charge promotes reading skills through engaging activities and celebrations. It's a hub for learning, exploration, and growth!

Safety & Security at Rainbow Public School

At Rainbow Public School, safety is paramount! □ Our campus is equipped with a robust security system, featuring:

- Security personnel stationed at the gate
- Comprehensive CCTV surveillance covering the entire campus, including classrooms and grounds
- Real-time monitoring to ensure student and staff safety

This setup allows us to keep a close eye on all activities, ensuring our children are safe and secure while learning and growing. Parents, you can have peace of mind knowing we're looking out for their well-being!

Playground Facilities at Rainbow Public School

Our playground is a hub of energy and excitement! ☐☐♀☐ With a vast space for running, playing, and practicing, we've got something for everyone:

- Volleyball, throwball, and Kho-Kho courts
- Cricket practice area
- Fun play area with slides and activities for younger kids
- 50-meter running track for athletic skills development
- Spacious, fenced ground ensuring student safety

Students get to use these facilities regularly, helping them stay active, develop skills, and have fun! ☐

Activity Room at Rainbow Public School

Our activity room is a vibrant space where creativity and innovation thrive! ☐ Designed to foster hands-on learning, it's equipped with a wide range of play materials and tools that encourage students to explore, experiment, and excel. A key highlight is our STEM activity corner, where students can engage with practical projects, boosting their problem-solving skills and critical thinking.

Regular sessions here help students develop essential life skills like creativity, collaboration, and communication. Whether it's building, crafting, or innovating, our activity room is the perfect playground for young minds!
