

Annual Report of Rainbow Public School (2025)

Presenting Annual report of Rainbow Public School is a pleasant responsibility bestowed upon me.

Our school is an example of what leadership with vision, commitment and discipline can achieve. Looking back at our journey in serving the cause of education since 2005, thanks to our Chairman and CEO, we are both happy and proud to be part of Rainbow Public School's memorable milestones we have reached.

This year, Rainbow Public School has not only maintained its tradition of academic excellence but has also strengthened its foundation through targeted faculty development and pioneering pedagogical innovation. Our success, highlighted by maintaining a 100% pass rate in the CBSE examinations, is a direct reflection of the dedication of our empowered teaching staff and the effectiveness of our holistic programs, including the introduction of JEE/NEET foundations for the last 2 years. We celebrate the achievements of our students, the commitment of our educators, and the vital partnership with our parents as we continue to shape responsible, confident, and competent global citizens.

1. Academics

“A teacher is a learner first” so Every academic year **training, seminars and orientation programmes** are conducted for teachers and students to improve and implement innovative ideas in teaching learning practices as well as to take the students beyond their current level of learning. This year too teachers participated in the training programmes conducted by publication houses in offline and online mode.

We had a comprehensive training session led by Ms. Sridevi Ma'am from Viva Publishers, who guided us through various activities designed for Happy Classrooms. The session was an engaging and interactive experience, allowing our teachers to explore innovative approaches to teaching and learning.

Additionally, We conducted specialized training sessions led by experts targeted guidance from Mr. Kushal, focusing on curriculum optimization and resource utilization.

The school leadership, including the Principal and Management, regularly held special sessions focusing on enhancing classroom communication, leadership skills, and the practical application of our specialized teaching methods.

Our faculty actively participated in external programs to align with national standards and foster peer learning:

Teachers attended multiple CBSE Capacity Building Programs across various subjects, ensuring adherence to the latest board guidelines and assessment patterns.

We engaged in valuable collaborations, with faculty members attending sessions at different institutions supplementing internal training with external perspectives.

Professional development was further enriched through specialized training sessions conducted by Sahodhaya, bringing advanced educational strategies to our classrooms.

Moving on to the **CBSE board results**.

The success of our robust academic framework is evident in our consistent results and innovative teaching methods.

Rainbow Public School proudly maintained its legacy of academic excellence with a 100% pass rate in the CBSE Class 10th Board Examinations.

RPS being a 'Public' school in the real sense of the word focuses on the holistic development of every student but at the same time we ensure that the academic training takes the centre stage in our system and our teaching learning process has wide **variety of method of teaching** like;

- Celebration of **Phonic day** to show the importance and to learn the phonic sounds,
- **Shapes Day** for learning the basics of mathematical shapes,
- **Ours Helpers Day** in order to learn the names and respect for work
- **Smart board teaching** to give additional information
- **Activity based teaching** to learn with fun we take the students regularly to **outside Garden, Model explaining session in classroom.**
- We are proud to have a **well-equipped laboratory** that has been recently renovated to provide our students with a comprehensive and hands-on learning experience. Our laboratory is equipped with modern facilities and apparatus, allowing students to conduct experiments and explore concepts in **Physics, Chemistry, and Biology.**
- Our experienced teachers take students to the laboratory to provide a broader understanding of the curriculum, making complex concepts more accessible and engaging. **The laboratory sessions** are designed to foster critical thinking, problem-solving, and analytical skills, helping students to develop a deeper understanding of scientific principles.
- **Our computer lab** is equipped with state-of-the-art facilities, providing students with a comprehensive and immersive learning experience. The lab is regularly used for practical sessions, allowing students to develop their computer skills and apply theoretical concepts to real-world problems.
- We are proud to announce that our students recently participated in the Safal exam, conducted by the Central Government, without any issues. The Safal exam is designed to assess students' skills and knowledge, and our students' performance was a testament to the effectiveness of our computer lab facilities.
- **Library** is another place where the students and Teachers enrich their knowledge by making use of the numerable books and magazine available.

- Cursive Writing** classes are a regular thing in RPS to promote good handwriting

Target oriented Teaching is another feature of RPS wherein

- every day goals of Home works and Assignments are given with a pre-planned **homework policy**
- regularly monitored and defaulters are corrected with the collaboration of the **parents**

These short Term goals helps the students to perform better in the regular tests and exams....

Toppers and achievers are awarded with the **Best Student Badges in the Assembly.**

Wall of Fame is another way we encourage and motivate the students get their names and photos get it placed by their performance.

My Achievement Chart at the entrance of every class decked with Diamond for A1, Gold for A2&B1, Silver for B2, C and Bronze for D trophies reminds the students to move from one trophy to another with higher grade.

2. SOF- Science Olympiad Foundation

In the present times when the world is totally pivoted on science and IT, it is pertinent to think and plan about the future - a future in which the children of the present shall be the leaders of tomorrow. Regular qualitative and quantitative assessment needs to be done at the national/international level in order to build up the scientific, commercial and IT talent pool.

SOF is an Educational Organization popularizing academic competition and assisting development of competitive spirit among school children.

We have been participating in SOF competitive exams for the last --- years.

Last year our students have enrolled for

- NSO- SCIENCE
- IGKO- GENERAL KNOWLEDGE
- IEO- ENGLISH
- ISSO-SOCIAL SCIENCE
- IMO- MATH

The total numbers of Gold medals bagged by our students are as follows

- Math-4
- Social Science- 3
- English 2
- GK- 5
- Science- 9

Preparation for Competitive Futures

JEE/NEET Foundation Program: A pioneering initiative, the foundation for JEE and NEET competitive examinations starts as early as Class 6. This program, guided by specially trained faculty, systematically builds the core conceptual structure required for success in these high-stakes exams.

We believe in holistic development, fostering talent, teamwork, and physical excellence through a rich co-curricular calendar.

1. The Specialized DASH Program

A highly unique co-curricular initiative distinguished by the direct involvement of the school's top leadership:

The D.A.S.H (Display Talent, Ability improvement, Skill enrichment & Hobby enhancement) Activity is a cornerstone of the school's commitment to exploring personal talents. Through this initiative, students have the opportunity to participate in a Talent Expo, where they can exhibit their skills and talents in front of the entire school assembly. This not only boosts their confidence but also encourages them to pursue their passions.

Literary Skills (Chairman's Initiative): Focus on speaking, creative writing, poem development, and story-telling.

Mathematical Aptitude (CEO's Initiative): Teaching math in a fun and challenging way, including mastery of the Rubik's Cube and advanced problem-solving skills.

General Awareness (Principal's Initiative): Conducting dedicated Quiz sessions to build intellectual reflexes and general knowledge.

3. Co- Curricular and Extra Curricular Activities

Every activity in school life plays a significant role in a child's development. Co-curricular activities are an essential part of school life as they help to enhance the learning process of the students

Through these activities we strive to bring in social skills, intellectual skills, moral values, personality progress and character appeal in our students. Some of these events are:

Student Council- Building Leaders for tomorrow.

Investiture day, Inauguration of House and club system.

The school investiture ceremony and the official inauguration of House and the club system were held on 1st July. It was conducted with lots of zeal and zest. The School leaders were conferred with badges and sashes by the Honourable Chairman Mr. C ACariappa Sir, CEO Madam Mrs.Sujani Cariappa and Principal. Donning the mantle of accountability the student

leaders pledged to bestow their duties to the best of their abilities. On the same day inauguration of the House system was held.

The students Leaders along with teachers take care of the Discipline in the campus which promotes them to be self-grooming and responsible leaders of tomorrow.

School house system

The House system is an integral part of the School culture and is designed to embody the values and ethos of the School and all the activities of the School are conducted on the basis of four houses.

The four houses are named after the **Four Missiles of India AGNI, DHANUSH, PRAHAR AND PRITHVI**

The activities by the houses like Monthly Notice board preparation, inter house competitions etc builds the concept team work and coordination.

Yoga:

Yoga is a practice of the mind and body, and it brings about health and happiness benefits through its direct influence on our nervous system. Yoga classes are integral part of our curriculum.

On international day of Yoga we had a Grand performance in our school campus to promote and to receive the benefits of Yoga.

Karate:

Kids that learn Karate **learn to trust their own physical strength and abilities**. This self-respect that they develop will help them to learn to respect others in the very same manner. Every student who has enrolled for karate in RPS learns to respect oneself and others.

Some our students do take part in various karate competitions and bring along with them medals and awards.

Dance

Dance has a major role in boosting child's social development. When children dance, they express their emotions in front of their audience. With all that grooving, a child feels safe to open up to the world. Students in RPS get the chance weekly to learn, practice and perform this art as well.

Music:

Our Music classes **improve and develop language skills in children**. Music **stimulates the brain**, and with its varied sounds and lyrics, students are exposed to a large amount of vocabulary in a short amount of time. The benefit goes beyond just merely learning an art form.

Co-curricular activities are the components of the non-academic curriculum that helps to develop various facets of the personality development of the child and students.

We conducted activities that brings out the latent talent from the students. Were all participated with great enthusiasm

CCA competitions and the winners of this academic year are visible on the LED Screen....

- Starting with our KG Section**
- Colouring
- Drawing and colouring
- Rhymes
- Patriotic.....
- Story Narration
- Handwriting
- Solo Dance

- Moving on with Class I to X**
- Father's Day** was the theme for the 1st CCA competition of 2023-24
- The 2nd CCA competition was on the Theme of Health and Hygiene**
- The 3rd CCA competition was based on the Independence day-**

The winners will be rewarded in school on Valedictory function, once few other competitions are conducted.

Celebrations

The following events were celebrated in the school with befitting zeal:

1. **Father's Day** was celebrated in the KG section the Children enjoyed the with their 1st and best hero i.e their daddys.
2. **Environmental Day**
World Environment Day was celebrated on 5th June with the theme “**Beat Plastic Pollution**” Students and teachers presented themselves in green and vowed to minimize plastic pollution and to keep our country clean.
3. **Diwali celebration** was held in a special way with competition for parents... Rangoli competition.
4. **Assembly**

Assembly is an important part of school life. It is a time when students and teachers come together to share information, values, and experiences. It provides an opportunity to celebrate achievements, festivals, and events of national and international significance.

Our Assembly Includes..... Prayer, Anthem, Thought of the Day, Word of the Day, Quiz, News, Birthday Celebrations and Meditation along with that we have celebrated.....

1. Anti-Child labour day on 12th June
2. World Blood donor day on 14th June
3. Doctors day was held at 1st July, the resource person of the Day Dr.Mala to children on the Topic of Health and Hygiene.
4. Kargil Vijay Diwas was conducted on 26th July remembering our martyrs and saluting their sacrifices.
5. Kannada Rajyothsava was celebrated remember and cherish the contribution of Karnataka to India and the world in various field especially literature.

6. National Constitution day was held on 26th November- reading the preamble and remembering our rights were the focal points.

Festivals

1. **Independence Day-** The school celebrated Independence Day with patriotic fervour. March Past, Speeches, Music and Dance performances followed the hoisting of the national flag. Our Chairman and Chief Guest of the day Mr. C A Cariappa Sir gave an important message on responsibility and age is no bar for taking up social responsibilities.
2. **Teacher's Day Celebration.** Teacher's day was celebrated in the school and the programmes were led by the student council and class X students on 5th September, acknowledging the contributions of teachers in their lives and shaping up the society.
3. **Children's day** celebration. The children's day was celebrated with lots of pomp and show. It was a celebration of the rights of every child and the teachers made it a point to make the celebration a joyous one for children.
4. **Diwali celebration** was held with the Diya Decoration to bring light and brightness in our lives.

4. Sports

Students need to have a healthy lifestyle. Sports provide an opportunity to build teamwork skills, increase self-confidence, and teach social skills. So, our school leave no stone unturned in the process of making our children's lives better. Sports like Volley ball, Throw ball, carom, chess, and other track and field events are provided to the students.

Our Volley ball and Throw ball and Cricket teams had varied experience in participating various inter school competitions.

- Inter school competition conducted by Physical Education Teachers Association, Mysore
- Inter school competition conducted by GSSS
- Inter school district level tournament held at Jnaodaya PU college Mysore
- Inter school competition conducted by CFTRI

Where our students performed well.

Our Students.....

Thaneesh Dev from Class 3 a Athletic champion participated in various competitions.....

Bhuvan Padmashali from Class 7 a Swimming champion participated in various competitions.....

Rajesh from Class 8 a Gymnastic champion participated in various competitions.....

They bring medals as well as pride for the school, parent and for the state and in future for our country.....

The annual sports day for the was held in January.

The Chief Guest Shri Mathialagan from the University of Mysore graced the occasion with a powerful message and appreciation.

5. Personal Counselling and Guidance:

RPS means Where Education blend with care and concern, we care every aspect of the children especially the mental and emotional wellbeing of every child.

Our Team comprises of a the Management, Principal, Counsellor and Anti- bullying Committee to ensures every student is safe and happy.

Regular guidance and Motivations are given to students by the **Teachers and Management**, sometime one on one or as a group as the situation requires.

PARENT TEACHER MEETS

We firmly believe that positive communication between parents and teachers goes a long way in improving the efficacy of education. We ensure active participation of parents in the teaching learning process. Apart from regular periodic communication between the teachers and parents the following PTMs were held during the last session:

Class X parents are called regularly to discuss about the performance of their child.

After the Periodic Assessment 1 we held the PTM on 2nd August

After the Mid Term we held the PTM on 11th October

Individually the parents come and discuss the progress of their wards after 3.30pm or on another given time.

7. Field Trips and Excursions

Field trips are important to bridge the gap between education and hands on experience. School successfully organized field trips for all classes from class 1 to Class X on different days during the academic year.

KG students-

Class I and II- Somnathpura Talakad

Class III and IV- went to Coorg covering places like Nisargadama, Dubare Elephant camp, Raja Seat and Golden Temple

Class V- VI Bangalore

Class VII- IX- had their fun filled day at wonderla

Class X – Coorg

Acknowledgement

I take this opportunity to thank the SMC especially our Chairman Mr. C A Cariappa Sir and CEO Madam Mrs Sujani Cariappa for their guidance and support. It is their visionary, inspiring and encouraging leadership that help us continue in our expedition to excellence in the field of education.

The school is fortunate to have a happy team of committed, competent teachers whose passion for teaching and love for the school has played a vital role in each one of our achievements.

We wish to thank our non-teaching staffs who work relentlessly for the smooth functioning of the school.

We are privileged to partner with enthusiastic, engaged parents whose trust, understanding and unstinted support has been a great source of motivation to us.

What's a school without students! It's our students who made all our efforts truly meaningful and rewarding by their significant effort to do their best and becoming knowledgeable, skilled and responsible citizens. We are proud of every one of them.

On this joyous occasion of our Annual Day celebration, we assure you of our continued commitment to the cause of education. And invoke the blessings of the Almighty to enable us to continue the tradition of excellence in all our pursuits.

Jai hind
